

## Equality and Diversity statement

The Durham Local Safeguarding Children Board is represented by agencies from across the public, private and voluntary sectors, who work together in sharing information and co-ordinating responses to safeguard children from harm.

The Local Safeguarding Children Board understands that all children and young people have a right to be protected from harm. The Board strives to promote access to safeguarding services, particularly for those children who are unable to communicate with those who are able to protect them, arising from their age, disability or language.

All policies and procedures of the Durham Local Safeguarding Children Board are subject to an Equality Impact Assessment so to ensure that they do not discriminate on any basis including race, ethnic and national origin, religion, gender, sexual orientation, disability and learning ability.

Children and families who are receiving child protection services and need case information translated in another language or format, such as Braille or talking tape, should contact the relevant Social Worker who will advise the Local Safeguarding Children Board.

If you need this information summarised in another language or format such as Braille, large print, CD or talking tape please call on the number below.
